Interior

Eight-passenger interior configured with an aft four-place club arrangement, one forward facing seat located opposite a two-place side facing divan in the forward cabin, and an aft belted lavatory seat. Interior was refurbished in November 2022 with all seating completed in a light Dove Gray leather with a complementary off-white Ultraleather headliner and off-white Ultraleather window reveals, with light Gray Ultrasuede lower side panels. Carpet is Taupe with metal surfaces throughout the cabin finished in Satin Nickel. All cabinetry is Makore veneer in a hi-gloss finish. The aft lavatory includes a sink.

A RosenView LX video system provides passengers with aircraft position and flight data information on a 10.4" LCD monitor located on the forward righthand bulkhead. Additional entertainment includes a dual DVD player. Six 110VAC cabin outlets provide electrical power. An Iridium satellite phone and Aircell ATG-5000 Wi-Fi with text and talk provides cabin connectivity. The right-hand forward galley includes dual heated liquid containers, soda can storage, ice drawer, trash container, and various general storage compartments.
