Interior

The seven-passenger interior features a forward four-place club configuration, two seats located aft facing forward, and a belted lavatory seat. All seating is completed in Maritime white leather complemented with a light brown textured carpet. The aft lavatory is fully enclosed with a pocket door. Metal surfaces throughout the cabin are finished in brushed stainless steel. All cabinetry is completed in Oak veneer in a hi-gloss finish. A Rosenview LX moving map system provides passengers with aircraft position and flight data information on a Rosen 15" pull-out LCD monitor and three plug-in LCD monitors located in the cabin. 110VAC cabin outlets provide electrical power. A Gogo ATG-5000 Wi-Fi system provides cabin connectivity. The right-hand forward galley includes a TIA WaveJet microwave, heated liquid container, soda can storage, ice drawer, trash container, and various general storage drawers.

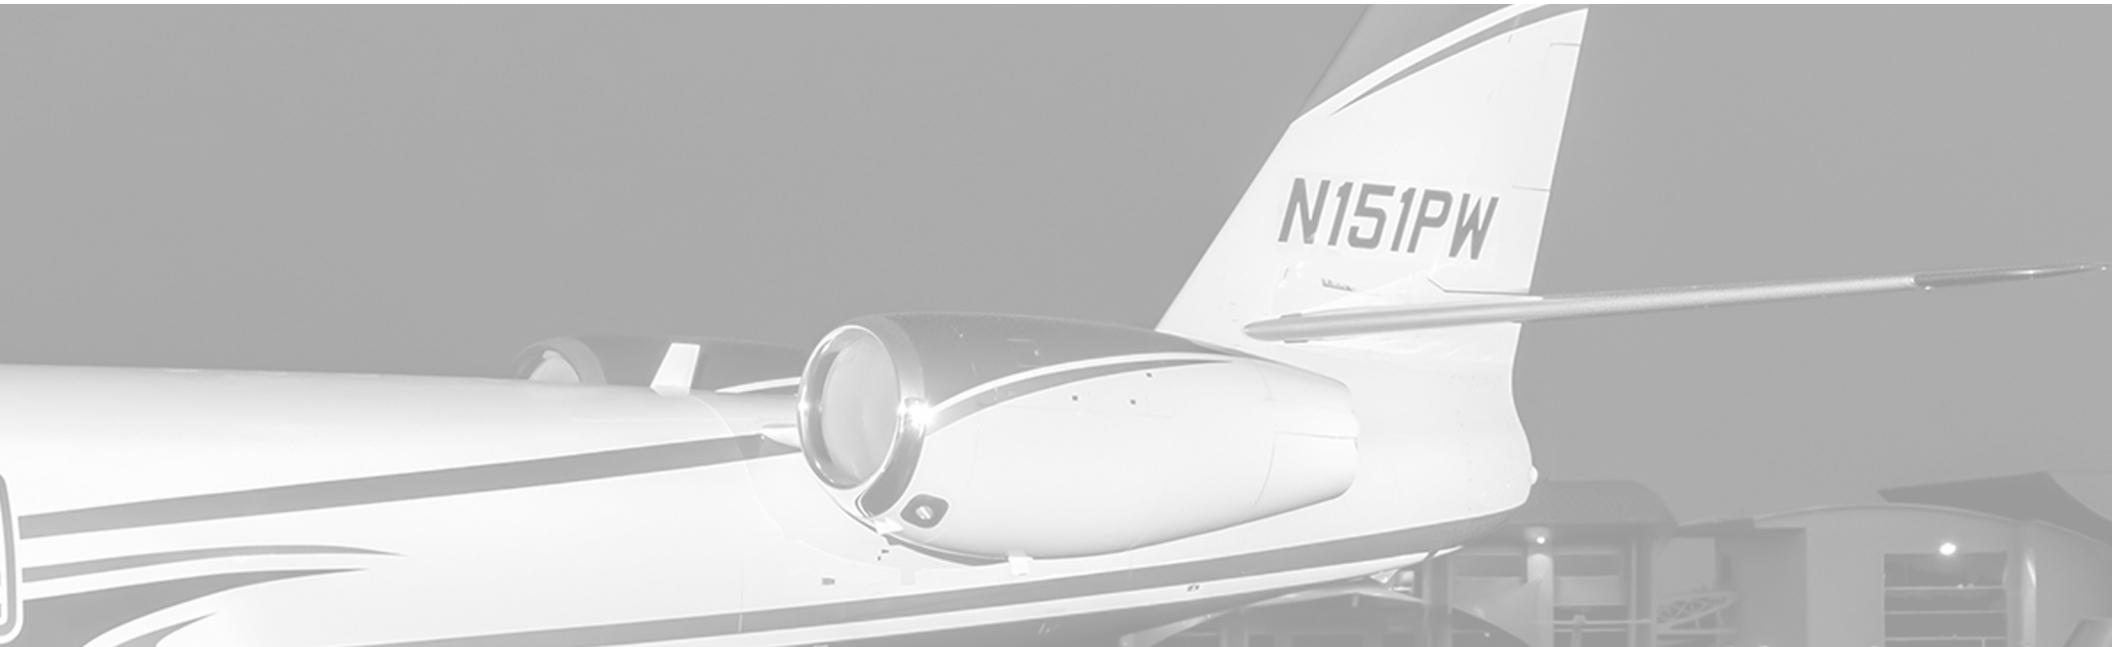

Specifications and/or descriptions are provided as introductory information only, and do not constitute representations or warranties of Pinnacle Aviation. Accordingly, you should rely on your own inspection of the aircraft. Subject to prior sale.

For over 35 years Pinnacle Aviation's team of experts has provided sales and aircraft solutions by listening to your needs. We then go to work and apply our knowledge of the current market and guide you in making the right choice. If you would like further information on this Gulfstream G150, please contact Pinnacle Aviation at 800.333.1680.
