1C/2C Inspections and Landing Gear Overhaul 07/23

CAMP Maintenance Tracking Program

Impeccable Maintenance Pedigree

**Interior**

The 10 passenger executive interior features a forward four place club configuration and an aft four place conference group opposite two club seats. The seating is completed in light gray leather with refined stitching, complemented by matching lower sidewalls and a modern gray patterned carpet. The cabin is accented with medium brown veneer cabinetry and brushed nickel metal hardware. Each club seat includes fold-out executive tables for work or dining. A spacious forward galley offers ample storage and countertop space for in-flight service. Cabin entertainment includes forward and aft bulkhead monitors, four sidewall monitors, an Airshow 4000 passenger information system, and a fully integrated Falcon cabin management system. Additional amenities include individual passenger controls, and a private aft lavatory with enclosed storage. The interior was refurbished by West Star Aviation in August 2025 and is in pristine condition.
