The nine passenger interior is configured with a four place club arrangement in the forward cabin, and a three place divan opposite a two place club arrangement in the aft cabin. All individual passenger seating is completed in taupe leather and complemented with a champagne fabric divan accented in aubergine. Cabinetry throughout is finished in high gloss ebony wood. Connectivity is available through the high speed Gogo AVANCE L5 Wi-Fi system and flight data can be viewed through the Flight Path 3D Map system monitors mounted in the forward and aft bulkheads. A fully equipped forward galley is finished in high gloss ebony wood with a polished stone countertop. The aft lavatory is fully enclosed by dual partition doors and equipped with a vanity sink.

Specifications and/or descriptions are provided as introductory information only, and do not constitute representations or warranties of Pinnacle Aviation. Interior photos shown were taken when the aircraft was delivered new and do not represent the actual current condition of the interior. Accordingly, you should rely on your own inspection of the aircraft. Subject to prior sale.

For 35 years Pinnacle Aviation's team of experts has provided sales and aircraft solutions by listening to your needs. We then go to work and apply our knowledge of the current market and guide you in making the right choice. If you would like further information on this Citation Longitude, please contact Pinnacle Aviation at 800.333.1680.
