**Broker Disclosure

The Global 5000 is operated by Canadian air carrier Chartright Air Group who will have full operational control and responsibility for the safety and conduct of each flight. Pinnacle Aviation is a U.S. FAA-certificated air carrier and also provides air charter brokerage services. When acting as a broker, Pinnacle Aviation does not operate the aircraft and does not exercise operational control of the flight. All flights arranged in a brokerage capacity are performed by properly licensed and authorized direct air carriers.

Rates subject to change and verification. Additional fees that might apply include, but are not limited to: overnight fees, landing fees, ramp fees, international fees, Customs and Immigration fees, Federal Excise Tax (FET), passenger taxes, cabin attendant, in-flight telephone use, internet use, catering, de-icing and special service requests.
